1. My cat/s is neutered upon arrival at ‚Das Katzen-Hotel‘, has no infectious illness that could harm others (human or cats) and has all valid vaccinations. A mandatory revaccination has to be made 28 days prior arrival (please provide vaccination card). 2 to 4 days prior check-in: the car must be treated with flea-protection (z.B. Frontline Combo, Advantage, Stronghold, Broadline; no collar). Deworming should be made upon consultation with ‚Das Katzen-Hotel‘ before and/or after the stay.

Acclimatization for older, the chronically ill or sensitive cats can be harder and may result in problems, such as feed refusal.

3. I hereby allow employees of ‚Das Katzen-Hotel‘ to consult a veterinarian chosen from „Katzen-Hotel“ in case of any illness or accident that effect my cat during its stay at ‚Das Katzen-Hotel‘. I allow the vet and the „Katzenhotel“ to contact my normal vet and allow him to give information of my cat.
