**1. My cat/s is neutered upon arrival at, Das Katzen-Hotel', has no infectious illness that could harm others (human or cats) and has all valid vaccinations. A mandatory revaccination has to be made 28 days prior arrival (please provide vaccination card). 2 to 4 days prior check-in: the car has to be treated with **flea-protection** (z.B. Frontline Combo, Advantage, Stronghold, Broadline; no collar). **Deworming** should be made upon consultation with ‚Das Katzen-Hotel‘ before and/or after the stay.**

**2. I am aware of the risks due to an increased level of stress of a stay at, Das Katzen-Hotel' for my cat. Staying in a group of cats and/or the lack of a vaccination against FeLV, can result in infections. Acclimatization for older, the chronically ill or sensitive cats can be harder and may result in problems, such as feed refusal.**

**3. I hereby allow employees of ‚Das Katzen-Hotel' to consult a veterinarian in case of any illness or accident that affect my cat during its stay at ‚Das Katzen-Hotel'.**

**4. \*To the owner of cats medicated with heart-, thyroid- and/or insulin medication: During a stay longer than 8 days we may agree to a weekly / 1x monthly consultation with a veterinarian. (service fee: vet costs+ 12,00 Euro travel costs + eventual waiting time):**  Yes, I agree     No, I do not agree

**By signing this agreement I accept all terms and conditions and agree to processing and saving my data for the purpose of fulfilling this contract. This contract and the resulting reservation is binding** (You will find the privacy agreement and all terms and conditions here: [www.katzenbetreuung-bonn.de](http://www.katzenbetreuung-bonn.de).)
